

# Academy Student Advisory Board Membership Application

The Academy Student Advisory Board will be comprised of three students from each grade level in the Academy. The Academy Student Advisory Board will provide support in the planning and execution of Academy events and represent the interests of their peers. This is a significant responsibility and your interest in serving in this role is appreciated. If you are appointed to a position, please understand that the time commitment will vary throughout the year. Generally you should expect 2-4 meetings per month, occasional weekend commitments, and some work through the summer. Though appointed students are responsible for planning events, growing our academies and fostering academy spirit, much of what students will gain from serving on the Advisory Board will come in the relationships and leadership skills that develop through the work.

As appointed student leaders, each member of Academy Student Advisory Board is always to set an appropriate example for others (a behavior expectations contract is part of the application). You will be expected to promote academy spirit and pride, stand by your unique and creative ideas, attend all board activities, cooperate with others, be positive, and be willing to take risks. Academy Student Advisory Board is a fun, energetic and active club; and we are very excited that you want to be a part of it. There are high expectations for those that serve on their Academy's Advisory Board, but there are few clubs or other means by which you can contribute as lasting and as positive a legacy to Proviso East.

# Acknowledgment of Minimum Expectations

I, \_\_\_\_\_, understand that the following conditions are both factors in my appointment to the advisory board and if I am named to the board violation of any of these expectations could result in my suspension and/or removal from the Academy Student Advisory Board.

Members of the Student Advisory Board are expected to...

- ❖ demonstrate respect for Proviso East, the Academies, their peers, and all others that are part of our community.
- ❖ maintain a record free of disciplinary infractions, which includes excessive tardies and/or absences.
- ❖ commit to serving their peers and academy as a board member for a minimum of one academic year.
- ❖ have and maintain a GPA of 2.0 or higher.
- ❖ take an active role in the planning, preparation, and execution of academy events.
- ❖ respect the norms established by the Student Advisory Board and regularly attend meetings (which may occur outside of the regular school day).

My signature below is an indication that I acknowledge and understand the minimum expectations as they have been described and that I will be willing to sign a more formal participation agreement (and have my parent/guardian do the same) if I am appointed to the Student Advisory Board.
